Amsco Logistics Limited

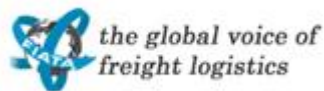

Taking care of ALL your needs

Service Description

Storage and Distribution

Amsco has storage to offer at a variety of warehouses throughout the UK.

Whether you need to store your cargo in Kent, Essex, Heathrow, Manchester or Southampton we can assist you.

Also with the strategic alliances we have in place with our European & Worldwide Partners we are able to offer storage at any overseas destination.

- pallet storage
- free standing cargo
- cargo racking
- pick & pack

Collection and Delivery

To complement the storage facilities that we offer, we have contracts in place with numerous transport companies that enable us to collect or deliver your cargo at competitive prices. No shipment is too large or small, we can arrange pick up or delivery from a small van to full load trailers.

Europe wide Distribution

The distribution services are in no way limited to just the UK, we can offer distribution throughout Europe also. If you have any Storage or Distribution requirements please feel free to contact us and we will be happy to assist.

Service Description

Ships Spares in Transit & AOG

Amsco has a department dedicated to the movement of ship and aircraft spares. We understand that these spares can be time critical to ensure they meet the intended vessel or plane as fast as possible.

We have a Worldwide network of partners who are specialists in this field, so we can receive or collect your ship or aircraft spares from any Country and

hold until required. Then goods can be despatched as fast and as economically as possible.

Project Shipment

Amsco understands the complexities of any project shipment that you may have. If you have any specialist requirements to move cargo via road, sea or air, we can help you.

Cargo Insurance

Amsco is able to offer cargo Insurance. If required please do not hesitate to contact us. Unfortunately we are not allowed to handle insurance for private individuals.

Amsco Logistics Limited

Taking care of ALL your needs

Service Description

Renewable Energy Department

Amsco understand the importance of Renewable energy and as part of our strategic and moral values have expanded our own in house dedicated department to give this sector the attention it requires. This industry is incredibly time critical, fast paced and requires quick action at all times.

Services

We currently work with some of the UK's leading providers in Renewable energy & can offer bespoke services door to door from/to most countries globally. These services include shipments of container sized batteries, general chargers, inverters & solar panels by Air, Land & Sea. In addition to global transport, we will handle all aspects of Customs meaning you can rely on Amsco to safely move your cargo around the globe.

Enquiries/Contacts

Please contact our special projects director mark@amscologistics.co.uk for any enquiries.
